“Veryx has been consistently delivering exceptional quality and value to Belden over the past years of our engagement in development and testing. They possess the expertise to do a thorough job in a consistent manner.
They Have Been Willing To Go Beyond That Of Typical Partners In Order To Support Us, Whether In Working On Complex Challenges, To Support New Projects Or To Meet Our Go To Market Deadlines. The Veryx Team Has Played An Integral Role In Our Success And They Always Deliver!”

Subhajit Bagchi, Vice President & General Manager BELDEN
